Louis Farrakhan was the leader of the Million Man March in Washington Monday. You can make your own judgement on how many Falls, Tishie Davis, Dorothy Smith, men actually attended the event ... it doesn't really matter at this Cammie Johnson, Forrest Brunson, point. This man Farrakhan we ain't so sure about. His talk Monday Maurice Stricklin, Evelyn Leverett, made a lot of sense. However, he runs hot and cold. Recently he Douglas Armstrong, Lucille Armwas spitting out racial hatred himself when he referred to the Jew-ish people as "blood sucking ...." If he can spark a return to family values among any group, he is to be saluted. Yet it would be good if values among any group, he is to be saluted. Yet it would be good if Mr. Farrakhan could rid himself of the internal demons which make him so controversial. A number of black leaders and newspaper columnists were critical of the idea and felt the energy could better benefit society if channeled in other directions. Now that the march is over, it would be ideal to also listen to these other ideas for bettering mankind.

More than one person has suggested it would be good if the electric power could be off several times a year. The sight of citizens sitting on the porch and chatting with family and neighbors is heartwarming. Those of us who remember the "good old days" recall it was something done every summer afternoon.

There is still a need for help in cleaning up from Hurricane Opal. We have heard of a number of older people who are not able to get trees and larger limbs from their property and need some help. It would be nice if able bodied citizens who have (or can make) the made during the week. time would offer a little volunteer help.

We Faced Opal's Challenge

Together.

And together we made it through.

Covington Electric Cooperative's management expresses sincere appreciation to the cooperative's member-consumers for your help and patience in the after-

math of Hurricane Opal. Without your cooperation and understanding we would

have had a much more difficult time restoring power to your homes.

Also, thanks to the workers from other electric cooperatives and contracting

firms in Alabama and neighboring states who helped us. Thanks especially to

the employees of Covington Electric Cooperative who worked beyond normal

limits to get power restored to our member-consumers -those who answered

phones, logged work orders, dispatched work crews, directed outside crews,

and helped repair damage to the cooperative's system...those who prepared

food and searched for resting places for the more than 300 workers who came

to help...and those who ordered and distributed materials and supplies for the

crews so they could restore power.

Thanks to the Louisiana Electric Cooperatives and to Sexton Farms in Baker,

Fla., for the 11/2 truckloads of ice and to Rhett Butler Trucking for hauling the ice from Florida. And thanks to those who shoveled ice into coolers for the lines

of people who came to pick up ice and to those who waited so patiently for their

turn at the ice truck.

Thanks to those who made coffee and snacks, kept the building tidy and kept

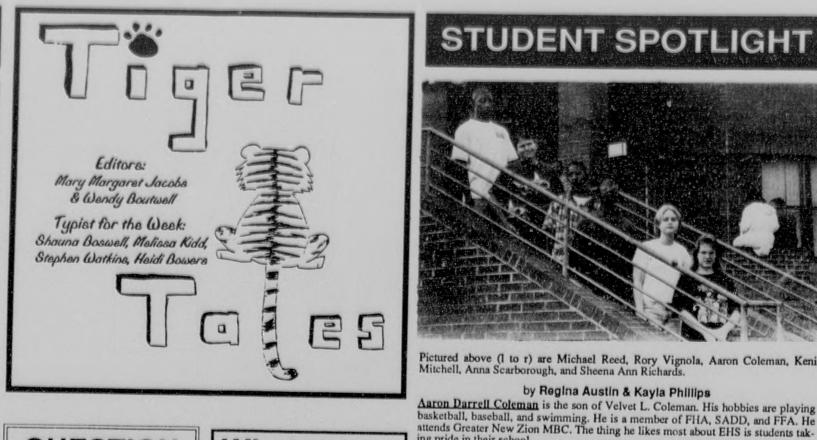

the vehicles operational throughout the long ordeal.

And thanks to everyone for doing it all safely!

There were many steps taken by the class members before this project was complete. The first was to get the correct measurements. The measurements for the ticket booth were 10 feet by 11 feet. "Almost Heaven, West Virginia," are the opening words to a country song, sung, I think, by Loretta Lynn. These words kept running through my mind all yesterday afternoon.

The reason for this refrain "haunting my mind" begins at lunch time exactly one week after Hurricane Opal stormed through Jack, Alabama. While the high winds of Hurricane Opal resulted in countless hours of hard work for Elba citizens such as Tom Head and James Ross Poole, for other residents the storm did little but blow down a few small limbs and gave the residents a chance to do some late spring cleaning. It was amazing to ride around the city a few days after the hurricane and see how some yards were immaculate, and others were practically invisible due to the limbs and debris. One thing for certain, the storm brought families together, even if it was in the front yard with rakes and saws.

#### ELBA-KINSTON MATCH-UP WAS "NO CONTEST"

The long awaited match-up between Elba and Kinston turned out to be no contest, as the Tigers totally dominated the out-manned Bulldogs from the opening kickoff and rolled to a 48-6 win, despite pulling out the starters with 8:33 still left in the second quarter. The Elba offense jumped out to a 20-0 lead by the midway mark in the first quarter, and after just nine snaps the offense had already scored three touchdowns and rolled up 200 yards in total offense. Two punt returns for touchdowns by Leray Smedley, a score by back-up tailback Bobby Burks and a long touchdown run by back-up quarterback Sterling Jones closed out the first half scoring by the Tigers, and left Elba's Coach David Lowery wondering what could be done to keep the score from getting any worse. The decision was made to let the clock run non-stop in the second half, and Coach Lowery totally emptied his bench as everyone that dressed out saw action. The Tigers had seven running backs carry the football, used four different quarterbacks and had 27 players make tackles in the win, as Coach Lowery did everything possible to keep the score from getting any worse.

While the offense had its way in the first half, the Tiger defense was also in complete control as it blanked the high-scoring Bulldogs and gave up 49 yards in total offense. Kinston quarterback Jason Wambles, the heart and soul of the Kinston offense, had 11 carries for minus 9 yards in the first half, and the Bulldogs as a team managed only 18 yards rushing on 22 carries, an average of less than one yard per carry. Elba used a combination of sophomores and junior high players throughout the second half, and although they did allow Kinston to score, the youngsters stopped Kinston on two of three second half drives and showed a real desire to

Leray Smedley returned two punts for touchdowns, giving him three punt returns for scores in the last "SUPER SATURDAY" FOR STATE FANS WAS A DUD two games, and letting future opponents that the Tiger speedster is a threat on any kick return. The fact the reserves, including a number of It was being billed as "Super Saturday" in Alabama as the Auburn Ti-

junior high players, got to see extended action in the second half has to be a positive in that the youngsters will now feel more like a part of the team, and will work even harder at practice in an effort to earn more game time. As the score indicates, it was never a game. However, for the Elba players, it was a chance to show off a little and get ready for three tough games still looming on the schedule prior to the playoffs.

Turning to Kinston, the Bulldogs should get a lot out of the game, despite the lopsided score. The fact the Bulldogs fought until the final horn was a positive, as was the fact that Kinston also got a chance to see some of its younger players in actual game action. The biggest thing Kinston's players should get out of the game is the fact that they have now seen first hand how good a team can be if it dedicates itself to working hard and doing its best on every play. The Elba players and Kinston players grew up playing against each other in youth football, and the games were always close, with Kinston often pulling out wins. The players all knew each other, and the level of talent wasn't nearly as lopsided as the final score. Kinston's players should look at Elba's players and then look in the mirror. The Bulldogs can win in football, it just takes a little harder work and a dedication to the sport. Maybe the game will teach the Bulldogs that lesson, if it doesn't teach them anything else,

#### ANOTHER ROUGH WEEK FOR COUNTY TEAMS

Week #7 of the high school football season wasn't kind to the county schools as all three suffered lopsided defeats, while Brantley did post a big win over a 4A opponent. Here's a quick look back... \*NEW BROCKTON (2-5) fell behind 33-0 by the end of the first half and never threatened in dropping an important Area match-up to McKenzie 33-0. The Gamecocks have been decimated by injuries and off the field problems for the past couple of weeks, and somehow must regroup and try to pick up the pieces for a run at the playoffs. Hey, it can't get any

\*KINSTON (1-6) made the short trip up to Elba and got rocked 48-6 by the 3A Tigers. The Bulldogs were out-classed from the start and were never in the game, but didn't get anybody hurt and played hard on offense until the final horn. Despite the lopsided score, Kinston's players should learn from the loss, and could even be a better team because of the game \*ZION CHAPEL (2-4) woke up in the second half and made a game of it, but simply couldn't slow down Wicksburg as the 2A Panthers out-scored the Rebels 52-30. The Rebels fell behind 20-0 early in the game and appeared headed for a huge loss; however, they did fight back and made Wicksburg play all four quarters. Now, if the Rebels can play four

The starting offense showed it could simply line up and run the football

#### ELBA'S MCKINNON KEEPS RE-WRITING RECORD BOOK

Elba's Ronald McKinnon has continued to re-write the North Alabama and Gulf South Conference record books this season, and last weekend was in the headlines again as he recorded his 528th career tackle at UNA to move into a tie for career tackles at both North Alabama and in the conference. McKinnon was a "Face in the Crowd" recently in Sports IIlustrated after making his 500th career tackle, and may very well be setting records that will never be broken. If the Elba Tigers ever establish a "Hall of Fame," the name of Ronald McKinnon will be in bold letters.

#### STATE'S RANKED TEAMS KEEP ON WINNING

The seventh week of the high school football season provided few surprises around the state, as only nine of the state's sixty ranked teams lost. Here's a look around the state in all classes....

\*CLASS 6A - Top-ranked Central, of Tuscaloosa, went to 7-0 with a big 42-14 win over West End, while #2 Central, of Phenix City, improved to 6-0 with a 39-0 romp over Valley. Robert E. Lee lost to cross-city rival Jeff Davis 26-23 in a mild upset, and contender Sidney Lanier proved to be just a pretender as the Poets were blasted by Prattville 32-3. Closer to home, Northview used a bad snap on a punt to edge Enterprise 2-0, and Dothan won the battle of the "used to be's" with a 41-9 romp past Carroll,

\*CLASS 5A - Top-ranked Blount opened some eyes with a 10-7 win over 6A Murphy, while #2 Wenonah barely survived as the Dragons slipped past Midfield 20-13 in overtime. #6 Wetumpka upped its mark to 7-0 with a 50-8 laugher over Southside, of Selma, and #7 Scottsboro also went to 7-0 with a 23-20 win over North Jackson. the (1-6) Kinston Bulldogs.

New Brockton owned a 2-1 record early in the season and grabbed a 1-0 Class 1A, Area 3 record with a 40-8 romp past Zion Chapel; however, the Gamecocks have not won since, and will carry a four game losing streak into the clash with their cross-county rivals. The Gamecocks' offense has averaged less than 10 points per game during the drought, while the defense has been porous, and has al-

Kinston has won only once this season in what was expected to be a banner year for the Bulldogs, with the primary reason being a defense that has allowed opponents to score an average of over 39 points per game.
